

Online Commission Program

PROGRAM OVERVIEW

- › Clinics receive commission on patient sales through internet transactions.
- › First-time visits to the Therapon Web Store must come through an assigned link unique to each clinic.
- › Each subsequent patient visit to the Therapon Web Store will be automatically associated with the clinics.
- › Clinic receives 15 % of price paid on patient's sale.
- › Clinic receives a monthly report of transactions and calculated commission.
- › Clinic receives monthly commission via ACH by the 25th of the following month of the transaction.

CLINIC REGISTRATION PROCESS

- › Clinic will receive a registration packet including an Enrollment Form, W-9 Form, ACH Form and a Commission Agreement.
- › Once Therapon receives the completed paperwork, clinic will receive a digital logo and a unique URL.
- › The logo will be placed on the clinic website with the associated URL and the account will be active.
- › Clinics will only need to communicate to patients the use of the URL for the first purchase at the Therapon Web Store.
