

Open Account

Theraderm Clinical Skin Care allows dermatologists, plastic surgeons, licensed aestheticians and other licensed medical professionals to act as re-sellers of Theraderm Clinical Skin Care products.

In order to open an account we must have the following documentation from you:

- **Photocopy of your physician/aesthetician license**
- **Tax resale exemption form** - if you do not have one, you may still open a professional account, however, your account will be charged sales tax accordingly if your state is taxable
- **Signed Chemical Peel Consent**
- **Account Information Form**
